F I N A L E

THANK YOU!

To the MTDS Community -

Another incredible year has flown by in the blink of an eye! As we wrap up another recital season, I'm filled with gratitude and pride. This marks my tenth recital season and ninth year as the owner of MTDS. It's been an incredible journey, and I'm so thankful for each and every moment shared with our amazing dancers and their families.

Our recital showcase isn't just about the dance moves; it's about the pride, smiles, and growth we witness in our students. It's a privilege to be part of their journey, seeing them weekly, sometimes daily. Some of the best moments aren't about new skills but hearing about their school achievements, a lost tooth, or a cherished family memory. At our studio, getting to know our students is what we're all about. It's what makes our dance family so special.

My staff and I feel incredibly fortunate for the commitment shown by our dance families to our program. Your dedication and support mean the world to us as we strive to nurture and grow our community. It's an honor to have your support.

Here's to many more years of dance, growth, and unforgettable memories!

-Miss Cort
