To the MTDS Community -

With each year that passes, the Motion family continues to grow — not just in members, but in skill, connection, passion and camaraderie. This year has been no different.

In my eighth year as owner of MTDS, our staff and students continue to value the studio as not just a place we go to dance, but to learn, grow, and enjoy our shared passions. Moving the needle not just in our art, but in our community.

Your commitment to our program continues to leave me in awe. I couldn't be more honored to have your support.

Thank you for being part of The Motion Movement. We hope you enjoyed the show!
